There is a warm summer breeze that blows back the memories of yesterday. The times we've shared with our friends, fall like the rain that makes a splash in our lives and are carried away by the winds of change. Our spirit remains and will always remain. No matter what the future may hold, our high school memories will never grow old. The splash of color our spirit made will never lose its brilliance in our minds.

During the summer months Agua Fria students use their leisure time to indulge themselves in many summer activities. Here is what some AF students did last summer:

Danny Adikes, senior, said, "I went to California to see Mickey Mouse."

Amy Tomlinson, senior, said, "I partied in Tempe a lot!"

Colette Humphrey, Junior, said, "Dianne Gladhart and I went to California together. We stayed in the Emerald Hotel and from the fifth floor we yelled out the window at freaks who walked by."

Melissa Woolf, and Kris Rayner, Seniors, said, "We went to the Bahamas and drank pina coladas for a week."

Renae Wichman, Junior, said, "I went to Kansas and visited my old pig farm."

Randy Duncan, Junior, said, "I went to Ohio and saw my old friends. I also played summer basketball and got my driver's license. Other than that it was pretty boring."

Jeff Schmuki, junior, said, "I was a junior counselor at a leadership camp."

Jesse Barron, Junior, said, "I went to ASU for classes and stayed in the dorms for five weeks."

Paul Christianson, Junior, said, "I went to Baja and learned to snorkle dive. It was great."

Everyone has their own way of spending their summer months and according to these people summer was fun. We all look towards summer with a smile for we all know that it's the end of school.

Seniors Wendy Moldovan, Amy Tomlinson and Jamie Maslyn enjoy the Fourth of July.

Junior Pat Papa trips out at Lake Pleasant.

Jennifer Maihofer, Senior, stands for a summer pose.

Miss Billy Moore

By Kerri Barber

You could see the amazement in Shannon Wilson's face as Mr. O.K. Fulton, master of ceremonies, announced her name for "Miss Billy Moore" 1986-87. The audience agreed with the judges' decision as she was the only one of 20 contestants to receive a standing ovation for her performance in the talent portion of the competition.

The contest consisted of 20 contestants, Stacy Newell, Michelle Horner, Rhonda Wiley, Kris Andrews, Shannon Garrels, Paula Arrelano, Sherlynn Cook, Cindy Thompson, Theresa Light, Cinnamon Conrad, Tina Edwards, Shannon Wilson, Tiri Chatfield, Cynthia Felix, Lisa Koppelman, and Lucy Cardenas.

When interviewed after the pageant, Shannon said, "It was so exciting. I recommend it to any Junior girl. I gained new experiences and more friends."

Shannon plans to use her scholarship money towards earning a degree in psychology at Arizona State University.

Those who placed in the pageant were first runner up, Christy Reeder; second runner up, Theresa Light; and Miss Congeniality, Sherlynn Cook. Theresa Light commented, "I had a lot of fun and met new friends." All the contestants agreed with Sherlynn Cook who said, "It was a great experience and I would not have been upset even if I hadn't placed."

Around Campus

By Amy Tomlinson

The campus is empty until eight a.m. Then, boom, all of a sudden the campus is swarming with teenagers. Some studying for a test, while the majority gossip and make plans for the upcoming weekend.

When lunch time comes around students begin to liven up. Most students head for the cafeteria or McDonalds. Some other popular places for lunch are Pizza Hut and Taco Bell. This seems to be the favorite time of day. Senior Jamie Maslyn said, "I enjoy lunch because I have time to do my favorite things- eat, socialize and get away from school." Senior Lisa Newcomb says, "I like it because it gives me a chance to relax and catch up on the latest gossip."

Finally, the end of the day comes. The bell rings to go home. Chaos hits! The halls become congested. Voices carry across campus as students hurry to get home. But, before you know it the campus is peaceful or at least until the next morning.

This year's fall production by the Drama Department was "Our Hearts Were Young and Gay."

The cast consisted of seniors Mary Kennedy, Jason Clark, Shannon Wilson, Tina Beyle, Pascal Brown, Charlette Dawsey, Tiri Chatfield, and Chip Jorgensen; Juniors Aaron Schnore, Matt Trumble, Marsha Bryan, Todd Daggert, Sarah Cohen, and Lanny Lighthill; and Sophomores Katy Mack, Brian McQuay, and Jamie Session.

The play takes place during the summer of 1923. It revolves around the comical adventures of two young ladies, played by Shannon Wilson and Katy Mack, on their first vacation alone.

They have saved their money and are taking a cruise to France. During the cruise someone jumps overboard, Emily Kimbrough (played by Katy Mack) uses her "fast thinking" to save him, and throws a lounge chair over. It hits him on the head knocking him out cold. After that the play is a series of similar events.

Tina Beyle says, "It was great working on the play. The best part was that it worked out great!"

Christmas Formal

By: Ruth Grunbling

Trees trimmed with cranberries and popcorn, a wooden sleigh, and hot apple cider helped to transform the North Campus cafeteria on Sat. Dec. 20, into an "Old Fashioned Christmas."

"I really enjoyed this year's formal," said Shannon Wilson, student body vice president. "I think Wilson, student body vice president. "I think the theme and decorations helped everyone get in the Christmas spirit."

Decorations consisted of windows frosted with spray snow, lights covering the ceiling to represent stars, and tables ornamented with greenery. In the past there had been two identically decorated trees but this year the trees were decorated in two different color schemes. "One was trimmed in red and the other was trimmed in gold," said senior Rhonda Wiley. "We wanted to decorate them completely different this year," she added.

There were also 'old fashioned' toys, wrapped packages, and a wooden sleigh surrounding the two trees.

Wilson thought the decorations set a nice mood and provided a warm, friendly atmosphere.

The music was provided by Don Davis from the West Arizona Music Machine (WAMM). He provided fantastic lighting and a unique sound system," said junior Trang Nguyen, music committee chairperson. Top 40 hits consisting of mostly slow songs were played, according to Nguyen.

Refreshments consisted of Christmas cookies, cakes, candies, hot apple cider, and fruit punch.

Pictures were taken by Fran Smith Studios.

Approximately 160 couples attended.

Santa and Mrs. Claus were also there to greet all those who attended and listened to Christmas wishes.

"I think the most special thing about the formal was seeing everyone dressed up and being with your friends," said senior Lisa Koppelman.

Homecoming

By Sharon E. Alkine

You know it's here; you can feel it all around! Not to mention the fact that you are surrounded by the Roman Empire in togas.

That's right, it's Homecoming! That wild and crazy week when you can dress almost any way you please and not get fitted for a straight jacket.

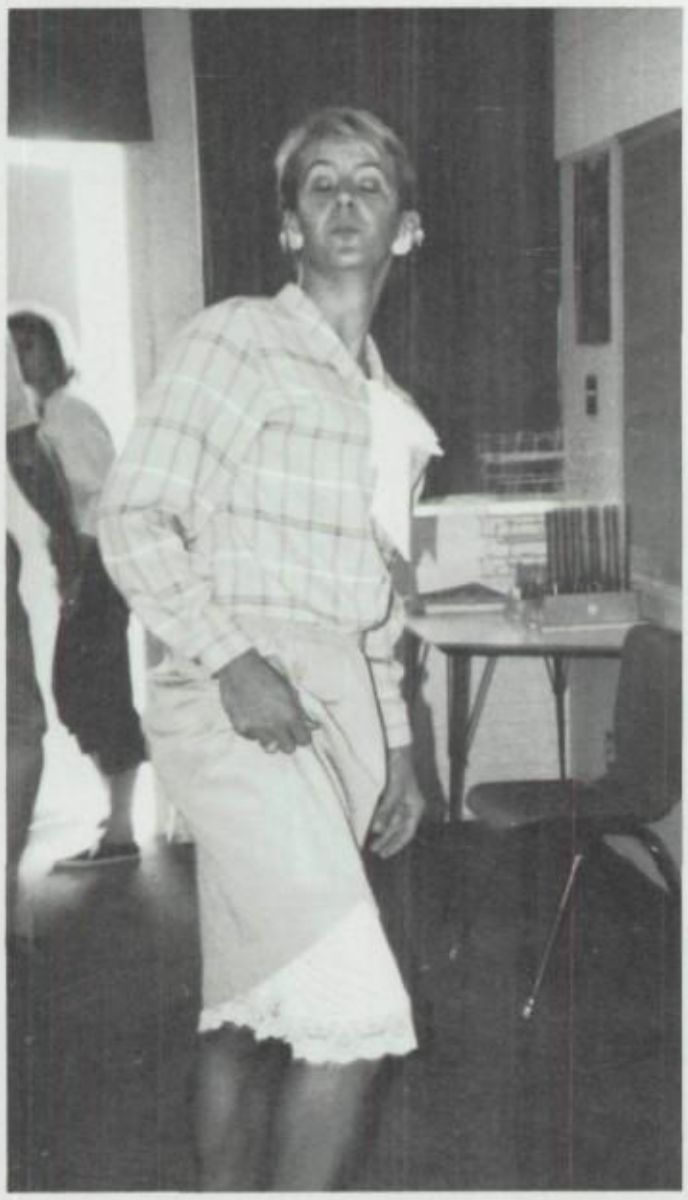
Along with the thrill of dressing as nerds, Agua Fria is experiencing something that seems somewhat hidden during normal schools days. From the shadows of the school-ground comes the overwhelming feeling of school spirit and desire to stomp an underclassman. But why does this change occur and where does it come from?

The answer to this, it seems, lies in the students themselves. Unable to resist that crazy feeling, they throw off their cool exterior and let their true, bizzare selves show. All over the campus, students are banding together to discuss ideas for floats, hall decorations and "extra-curricular activities."

The halls are filled with posters declaring the supremacy of various clubs and classes while a warehouse is engulfed in the smell of spraypaint and the sounds of hammers, saws and the latest gossip. The exhilarating feeling of competition finds everyone. Senior class president Pascal Brown says, "Tensions are high, but we're getting a lot done and having loads of laughs."

How could anyone resist taking part? In the morning, classes are greeted by various re-run themes to get them in the Homecoming mood while, during lunch, they can partake in slightly unique noontime activities. After school, floats are created right before your eyes! There is not time to lose the spirit. Junior Stacy Rose agrees, "I love it! They keep us busy all the time in a fun way."

Homecoming is something that just has to be experienced! Next year you, too, will be able to say, "I survived Homecoming '86."



Nothing beats a great pair of legs.

Off Campus activities

by: Andrea Amator

What do Agua Fria students do when they are not going to school? Many of the students work part time to earn extra spending money. It is a big responsibility going to school and working. "Keeping your grades up, while working is a lot of hard work," says Mike Murphy who works at McDonalds. The local places for students to work are Alpha Beta, the Wigwam, and, of course, McDonalds.

While they have free time, students enjoy numerous activities outside of school. Some students participate in sports such as golf, running and dancing. A lot of the guys enjoy skateboarding, while girls go shopping and visit with friends. Many students find the new bowling alley a great place to meet friends or to fill some time by bowling.

The students of Agua Fria have many ways to free themselves from the hassles of school.

Varsity Football

2nd in State

By; Stacy Newell

They packed the stadium every week; they had the fans going wild; the 1986 Varsity football team definitely left their mark at Agua Fria.

The Owls had an excellent season ending with a record of 11 wins and 3 losses, During the process they gained the co-championship title of the Metro Region and became the AAA Div. 2 State Runners' Up.

"I'm very proud of the team and especially the seniors; they have won 21 games during their past two seasons on varsity. They have also broken two records; in 1985 they won 10 games and this year they topped it by winning 11 games. They are also the first team to participate in the AAA State Championship game," said head coach Tom Wheatley.

The team always played with an enormous amount of desire and character. In many instances it was just obvious that they wanted to win a lot more than their opponent. They never gave up even though most of the time the odds were against them. They displayed their undying desire to win during two very emotional playoff games.

The first was against the previously undefeated Sunnyslope Vikings (11-0). The Owls beat the Vikings 22-21 in an Arizona playoff which advanced them to the semi-finals. One week later in the semi-final game, the Owls squeaked by the Gibert Tigers winning 15-14 in another Arizona playoff. They literally won the game by two inches!

The Owls ended their already successful season at Sun Devil Stadium where they met the Peoria Panthers to determine the State Championship. The Owls came up short losing in the final seconds, 29-23.

Besides the honors that the team received as a whole there were also individuals who received such honors. This year's all State Selections were T.C. Richmond (DB) named to the 1st team defense and Rich Scholz (LB) also named to the first team defense. Recognized for Honorable Mention was Shannon Arnold (G)

The 1986 varsity football team appreciated all of the support that was displayed by the fans during the year. "A winning team consists of more than just the players, but everyone that is involved in the game. We appreciate the support and enthusiasm of the student body and the community," said Arnold.

Work pays off

Opening the season with a tie with Tolleson 6-6 got the Owls started on their way to a 3-4-2 season. Strangely enough their season ended with a tie to Peoria 6-6. During the first half of the season, the team played very well then seemed to level off near the end.

The Owls had an exciting victory over Cactus 20-8, who had only lost one other game. Great defense featured 2 touchdowns by Todd Reib.

Key players were Ken Brown, Juan Jaurequi, Todd Reib and Larry Gonzales. At the end of the season Brown, Jaurequi, and Reib were all moved up to Varsity.

"I was pleased with the 21 guys who went through pre-season, practices and the season." said Coach Beecroft. "I was very proud of the ones who stuck it out; it's very demanding."

Two weeks before school starts when the sun is roasting, just like Varsity, the Freshmen football team is out on the field for practice. Many sacrifices had to be made by the players, yet they worked hard and it payed off with a 5-2 record.

The most exciting game of the season was against Chaparral. With the score tied 0-0 and five seconds left to play their opponent fumbled in the Owls end zone. The recovery gave the Owls the 7-0 victory.

As for the best game of the season it was the win over Peoria 37-14 when every player on the team was able to play.

Speaking for all the coaches, Tom Cocoran said, "It was a pleasure to work with all these young men."

Boys Swimming

2nd In Div.

Second place in the swimming divisionals in the boys' competition went to the AF swim team.

John Tebbe, junior, did exceptionally well all season according to Coach Culbreth. Tebbe was the gold medalist in the 100 yard backstroke and tied for third in the 100 yard butterfly with fellow team member, Phil Whitmore, freshman. Whitmore placed 5th in the 200 yard freestyle.

Senior Norman Harres received a bronze medal in the 50 yard freestyle. David Vasiloff, junior, finished 4th in the 100 yard backstroke. Junior Matt Papworth finished 8th in the 500 yard freestyle, barely missing 7th.

Freshman Tom Delaney placed 5th in the 200 yard I.M., bettering his time by three seconds. Delaney also placed 7th in the 100 yard breaststroke ahead of sophomore Ted Beecroft, who finished 9th.

Senior Mark Reese was seeded 11th in the 100 yard butterfly and placed 9th. Reese also moved up in the 100 yard backstroke in which he was seeded 12th and placed 7th.

Freshman David Shaker placed 10th in the 200 yard I.M. but was disqualified.

Senior Shawn Brittain swam well in the 200 yard freestyle, according to Culbreth.

Senior Rick Mays was the gold medalist in the divisional competition with senior John Pritchard close behind in 4th.

This year's team worked hard all year, proving that their season was a success.

Girls Swimming

Make Waves

Agua Fria swim team, which was led this year by Junior Stefi Rosztoczy and Sophomores Anne Shassetz and Aime Brainard, ended a hard fought season with a 5-6 record.

The Owls, whose five losses have been within marginal amounts, spent the entire season working on team attitude and positive thinking, according to members.

During divisionals exceptional efforts were given by Shassetz, who received a 2nd place medal in the 100 yard backstroke, Rosztoczy, who won a 3rd place medal and broke a school record in the 100 yard butterfly, and Brainard, who received a 1st place medal in the finals of the 50 yard freestyle competition. The girls' medley relay team, which consists of Kristy and Kandy Sheppard, Polly Delany, and Lise Lorge, also demonstrated exceptional performances throughout divisionals. Sophomores Lisa Cote, Alicia Brockey, and Karen Hendrick were among the few AF swimmers who qualified for and competed in the meet's consolation round.

Varsity Volleyball

BEST EVER

For the first time ever, a change occurred in volleyball at Agua Fria. Through hard work and dedication, the Owls learned how to master the sport of the game.

The 1986 varsity volleyball team ended its season with an overall record of 15-8. They were the AAA Division 2 Metro Region Champions and advanced to the semifinals in the State Tournament.

The varsity team consisted on only eight players whose main objective was to play with a high level of intensity at all times. Throughout their season the players set individual and team goals that they all worked to achieve. Communication and teamwork during games and during practice were major keys to the team's success.

The major accomplishments of their season included receiving second place in the Chandler Invitational, being second in their league, becoming Division Champions and being the first Agua Fria Volleyball team to reach the AAA State Semi-finals. All State selections were first team Jennifer Rodgers, junior, and honorable mention Gina Syverson, junior and Chicky Johnson, sophomore.

The team's success can also be credited to their loyal and devoted fans. The fans could be seen and heard at all of the home games and many of the away games. They were present at the Division Tournament and went as far as Tucson to root them on at the State Tournament. The team would like to extend their sincere thanks to all of those people who believed in them.

J.V. Volleyball

Youngest ever

Dominated by freshmen and sophomores, this year's J.V. Volleyball team was the youngest ever. The attempt to build a strong program gave five freshmen a chance to play on the J.V. level where they would get more experience than on the freshmen squad. For the young girls, improvement came with every game. Coach Guthrie was very pleased with her team and saw lots of potential. There are some players bound to go to the varsity level.

Met Goals

Faced with inexperience and five freshmen playing on J.V. left the 1986 team with a challenge. Goals were set at the beginning of the season to improve with every game.

By the end of the season the team had met their goals even though they didn't have a winning record. The most consistent players on the team were Lisa Clay and Kelly Crouch, the majority of the setting was done by Ida Elizondo. Contributing players were Katherine Brown, Elisa Doyle, Shelly Green, Belinda Trotter, and Leila Wodey.

Boys Cross Country

Strongest ever

"It's the strongest team I've had in four years and I am sure it is the best in Agua Fria history," said boys' Cross Country coach Dave Clark. This year's boys' team ended with a 5-9 record, were fourth in their division and seventeenth in state. Most valuable player of the year was team captain Don Shilliday, who also set a school record in the 2.2 mile run with a time of 18:58. The entire team was psyched up to make it a successful season, they set goals, and strived hard to achieve them. Members of the boy's team are Seniors Burke Albelda, Shawn Brittain, Stephen Butler, Scott Cote, Ricardo Vasquez, and Don Shilliday. Juniors: John Peeples, Chris Spicer, and freshmen Kevin Stout and Paul Veilleux.

Girls Cross Country

Holding Strong

This year's girls' Cross Country team faced many problems yet they held strong and did whatever it took so they could compete. Lack of participation put pressure on the few team members, but they were always trying and improving. Top runners were juniors Paula Lira and Katie Rivera. Most dedicated runner was senior Julie Levario, who never missed a practice and even finished the last mile of a race with only one shoe. The lady runner's season ended with a 5-3 record, which for having been around for only three years and competing against tougher Division I teams, was a disadvantage but it was the best team AF has ever had.

Badminton Strives to Win

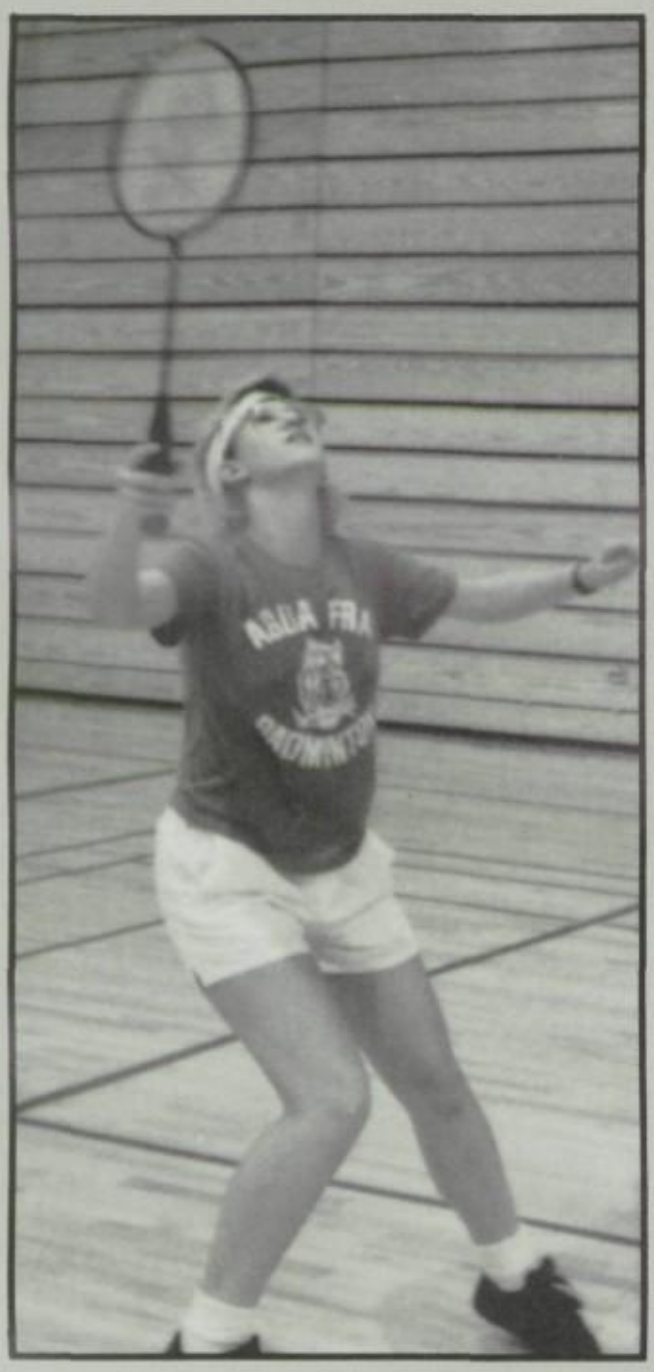
Varsity badminton ended its season with a 4-8 record at the Divisional Tournament held at Chapparal High School on Oct. 29 and 30. Good effort in singles was shown by senior Vicki Densford and junior Suzy Hirth. The doubles teams of juniors Collette Humphrey and Juanita Miranda and sophomore Laura Densford and senior Ruth Grumbling also displayed outstanding effort.

V. Densford returned the second day to compete for fifth or sixth place, but lost to Chapparal 9-11, 6-11. L. Densford and Grumbling lost a tough match to south Mountain 10-15, 15-6, 1-3 on Wed., Oct. 29, and returned Thurs. to challenge Trevor Browne. They lost in a split match 9-1, 9-15, 15-10, 13-15.

"There was big improvement in everybody's skills and game play from the beginning of the season to the end of the season," said Coach Diane McPeak.

JV badminton ended its season with a record of 6-6. Those playing on the JV squad were senior Lisa Rutherford, juniors Diane Gladhart, Rebecca Ozuna, Francine Ramos, Robin Scott and Renae Lucinda Lopez.

"I expected to see a lot of good things next year," concluded McPeak.



Senior, Lisa Rutherford, sees a shot.

Softball

Hangs Tough

By: Juanita Miranda

The 86-87 AF J.V. Softball team ended its season with an even overall record of 8-8 and a league record of 6-4. "We had a very strong predominantly freshman team," commented JV Softball Coach Linda Phillips.

The team encountered many tough opponents through the season. The toughest teams though were Yuma and Alhambra with the results being (3-17), (1-11), and (9-14), (5-8) respectively.

Freshman Gloria Villasana was chosen as the team's most valuable player and the most improved award went to sophomore Kristi Garber.

For every perfect game the girls were rewarded with a red or grey shoelace. At the end of the year Gloria Villasana, Juliet Carrion, and Monica A. Hernandez had acquired two sets of shoelaces.

The Varsity softball team finished their 86-87 season losing in the divisional semi-finals to Peoriaby only one run. The girls had a rough season not playing any teams in their division. Considering this advantage they wound up with a 6-18-1 record.

The team was very strong. Girls chosen for All Division first team were Stacy Newell-Second Base, and Catherine Tonkinson-Designated Hitter. Those chosen for All-Division second team were Alicia Perez-Third Base, Blanca Villasana-Shortstop, Regina Johnson-Pitcher, JoAnne Towey-Catcher, and Cursity Johnson-Out-field.

The teams talent didn't stop here. Catherine Tonkinson was chosen as the Most Valuable Player. Regina Johnson had the highest batting average. Alicia McAnally was voted Most Improved Player.

SOCCER

Success 8-6

The Agua Fria 1986-87 soccer season was a successful one, according to Coach Mike Mahon. "We did well, better than expected."

The team almost made it to state. Their record was 8-6.

Teamplayer Neil Taylor said "There was no individual work. It was a team effort." Some of the awards given were Senior Gene Barton, most improved; junior Neil Taylor, most valuable defense; Lupe Perada, most valuable offensive player; Alex Perada, freshman, leading scorer with 10 goals; and senior, Bill Wolski, outstanding goalie.

Coach Mahon commented, "We have a lot of returning players for next year. We should have a good team."

On the junior varsity level, Coach Horen felt, "We did well. We had a perfect 500 season."

The team had the same number of goals against them as they scored.

This year's record was 4 wins, 4 losses, and 1 tie. Leading goal scorer was Danny Ozuna, leading midfielder was Bobby Garcia, and leading defender was Eric Gonzales.

Coach Horen further stated, "We did real well, and I hope for a perfect season next year."

Varsity Basketball

Reach Playoffs

By: Vanessa Haney

The 1986-87 Varsity Owl Basketball Team started out the season with a record of 4-6 in the league and 7-15 over all for the season.

The team suffered in the beginning due to illnesses, injuries, and players joining the team late because of football, but was able to improve as the season progressed.

Coach Wayne Bateman said "The season didn't go as well as we'd hoped, but I'm still impressed with the team's talented efforts."

The team was well-balanced in ability, but Senior, Jeff Peters and Junior, Patrick Hall, both had an especially good season, according to Coach Bateman.

Though most of the star players will be graduating Coach Bateman believes that the remaining players will provide the nucleus for a strong team for the upcoming year.

Fight Till End

By: Brooke Green

Enthusiasm, hard work, and leadership-these brought the boys junior varsity basketball team through a hard fought season, ending with a record of 7-13.

Benji Casteneda, Steve Brown, and Eddie Solis lead the team in scoring. "These boys kept the team alive and hoping when times got tough," said Coach Wayne Descombes.

John Graham, Mark Lambrecht, Ted Beecroft, and Shaughn Ahart were out most of the season due to injuries and illnesses. "Having John and Mark out for the season had an effect on our record," stated Descombes.

Other key players that contributed to the team were sophomores Gary Barnes and Dan Slage. Juniors Randy Duncan, Danny Dew, Ryan Lee, and Steve Snavely also contributed to the team.

"The team worked very hard this year and there was considerable improvement throughout the season," concluded Coach Descombes.

Frosh Basketball

Awesome 15-3

By: Brooke Green

The mighty fighting Owls' freshman boys' basketball team experienced many successes this season compiling a 15 win-3 loss record. The team consisted of 13 players and was coached by Bill Leinart. Two of three losses for the young Owls were by a single point, while most of the wins had a scoring margin of 20 points.

Coach Leinart was very pleased with his team's performance all season.

"Certainly our win-loss record speaks for itself, but the real success story of our boys was the individual improvement and team work developed that warrants credit. At this stage we wanted to develop an aggressive defense and team offensive abilities that will prepare our players for the caliber of basketball they will have to play in the future on the varsity level in Triple-A ball."

It is hard to pick out anyone outstanding player. Paul Sarzoza was voted floor captain by his teammates. Keith Huckaby, Eddie Hagerman and James Pennington all had several games of 20 points or more and 15 rebounds or more.

"We were blessed with a lot of height and raw talent, but it was the hard work and dedication of our players that developed those ingredients into a successful season. The team willingly and enthusiastically paid the price to be winners. My hat goes off to them," said Coach Leinart, "besides being a fun team to coach, they are a fine group of young men who have a promising future if they keep working hard. I am very pleased and proud of their individual and team accomplishments."

Varsity Wrestling team ended a very successful season with a 6-3-1 record according to coach Danny Hernandez.

"The team has been very strong in the past and continues to be stronger in the future. I was really pleased at how well our young kids did. It's nice to do so well with such a young team." Coach Danny Hernandez said.

The varsity wrestling did quite well at divisionals with Brett Yohe Divisional Champ and Eddie Cunningham second. Third place holders were Conrad Jaramello and Raman Perez.

"The team is losing two important varsity wrestlers," quoted coach Hernandez. Baron Payton and Brett Yohe. Yohe was team captain and State Finalist. Yohe and Payton are four-year letterman and are important assets to the team.

Jessie Ortiz a junior wrestler says, "He is proud of the wrestling team and its accomplishments. I'm largely looking forward toward next year because we are going to be excellent."

In the future wrestling looks very strong and it continues to gain more recognition." said coach Hernandez.

Freshman Tennis

Reach Goals

The Freshmen girls tennis record may not show success but their goals were reached and the team had fun in doing so. As for the boys team they were beginners. According to Coach Carlson all the girls worked hard and really learned the sport of tennis. The entire team was able to play all season.

One of the highlights of the season was the last game when the young Owls defeated Coronado who they had previously lost to twice. This put the season ending on a victory.

Key player on the team was Colette Davis, who was the #1 player all year. All the girls improved their game throughout the season.

up of the most inexperienced players in the past 13 years. It proved to be both a challenge and a frustration.

In the beginning of the season there were 11 players but the season ended with an 8 man team. Outstanding players were Eddie Hagerman and Matt Eichorn.

The season record was 1-9, but the success or failure of beginning tennis is on records. The main purpose of freshmen tennis is to give a coach a chance to work one on one with the team and make it an enjoyable and satisfying experience so they will continue on to the J.V. and Varsity levels.

In that respect the season was a success. Coach Shilliday would like to see the team playing more schools like Tolleson, Peoria, and Trevor Browne, rather than the Scottsdale schools where most of the players have had

Division Champions
State Champions

This year's boys' golf team finished the season undefeated in division play, gaining a Metro Regional Championship for the second year in a row.

The Owls' greatest accomplishment had to be their State Championship victory that was captured by this year's squad. Coming from behind six strokes, the Owls topped Arcadia by one shot to win the state title. Both Divisionals and State were held on the Owls home course at the Wigwam Country Club.

The Owls played their best match of the season by stunning Saguaro. For the Owls, the squad's victory score of 196 was the best score from AF since the 1975 state champs.

The Owls, who are coached by Wayne Bateman and assisted by Ken Reed, had a very young squad this year with only three seniors. Coach Bateman said he is pleased with the improvement his team made over last year's 10th place showing in state.

Girls Golf

"The team had a good season and I think the girls are looking forward to next year already" said girls' golf coach, Richard Schreiber.

Since there are only thirteen teams in the state, no divisionals were held prior to the state tournament November 6 and 7. AF finished 6th out of the 12 teams competing for the state title.

Senior Shannon Wilson has been the number one player all year and had the best score for the Owls. She finished approximately 20th in the state, according to Schreiber.

The number 2 player, sophomore, Crista Lair, had the best score behind Wilson. A newcomer on the team, Crista Snider, Freshman, was the third ranked golfer on the team.

Final members on the team which traveled to the Pueblo El Mirage Course for State Championships, are Sophmore Melanie Espil, and Senior Kathrine Tonkinson, respectively.

The Agua Fria Owls pom - pon line had an award-winning experience at the National Cheerleading Associations camp this summer.

The camp, which was held at ASU, attracted many high school Pom lines around the state. During the girls four day, stay each participated in aerobic activities along with a variety of dances and routines which they were taught and later evaluated on.

The squad was awarded a 1st place trophy along with a superior ribbon for their home routine to "You Spin Me Round." They were also awarded 45 blue ribbons and 5 red.

On the last day of camp, Senior Stacy Newell finished as a nominee to participate in the Hula Bowl in Hawaii. She received this nomination for all around attitude and behavior.

This was a great year for the '86 - '87 cheerleaders! At the National Cheerleading Association's summer camp at ASU, the line captured an award for accomplishment and enthusiasm called a "Spirit Stick."

The Owls' cheer squad, which is headed by senior Diana Vasquez, was in the top ten squads for camp performance and numerous blue and red ribbons.

To quote junior cheerleader, Sue Bee Hirth, "I think camp was very beneficial this year because it helped us to work better as a squad and so many awards really made us look forward to a fun filled year."

Junior Varsity cheer has seen an incredibly active year. They stayed busy by having early morning practices at 7:00 A.M., and making posters and banners for the J.V. football team. They also performed a half time dance during one of the J.V. basketball games.

Freshman cheerleaders were very active at the freshman football and basketball games. They helped generate spirit and enthusiasm at North Campus.

by Jennifer Malody

This year the band participated in many events. "The schedule was hectic, but we made it through", commented band member Imelda Cachin. Along with playing at all the home games, the band traveled to Cactus and North High schools and also participated in Band Day at N. A. U.. Agua Fria has also made a strong showing in the Billy Moore, Homecoming, and Tucson parades and in an appearance at the Arizona State Fair.

Along with parades and football games, the band must concentrate on the concert season. The traditional winter concert practices often conflict with the football team's advancement in the play-offs, leaving little, or no time, for rehearsal.

Through much dedication and hard work, Agua Fria's Marching Band made this year's calendar of events a successful one.

This year's Flag Corps added the visual effects to the music played in the half-time shows and parades. Being in Flag Corps requires persistence and determination. Often times the members must arrive at school as early as 7:00 a.m. for the early morning practices.

Flag Corps is open to anyone who wishes to try out. "All it takes is a like for what you're doing", said sponsor Miss Anderson, "The members must be responsible and willing to learn."

Given only about one week before the first football game, the members must work hard to memorize routines. Although the work is challenging, the majority of the members enjoy it, and the members of the Flag Corps choose to show their spirit through hard work and dedication.

HOOT-N-DANDIES

by Jennifer Malody

Hoot-n-Dandies, also known as the "Pep" band, consists of members of the Marching band who enjoy showing off their spirit and talents. Playing at pep assemblies, all home basketball games and the traditional Red and Grey game, these band members help to generate spirit among the crowd. While cheering with the crowd, the "Pep" band is also helping our team become more involved. Shouts and cries can be heard coming from this group of young musicians as they show a "splash of spirit" which differs from the rest.

CHORUS

The Concert Choir, Madrigals, and the Freshmen chorus group had several successful concerts this year, some of which were at Maryvale Mall and the State Capital where they received cheers from attentive listeners. They sang many classic Christmas songs and other lively tunes.

The Concert Choir has the usual tenor, bass, alto and soprano sections. They always have impressive performances sung in four part harmony. The Madrigal Singers, an ensemble group, are the elite of choirs. The freshmen are beginning singers, but are on their way to the top.

The Daybreakers and Earlybirds are other handbell choirs at Agua Fria. According to Mr. Faris they too have had an exciting year. The handbell choirs played a variety of music but most emphasis was on Christmas music.

Handbells are bells of different pitches ranging in an average of five octaves. They are rung together to form musical chords. It takes much concentration and skill to perfect one song and the Las Campanas are known nation-wide for their expertise ringing.

DRAMA CLUB THESPIANS

By: Andrea Amator

The Drama Club is made up of members who enjoy acting. Besides acting, they also learn how to apply stage makeup, set design, analyze characters, and how to relay different emotions to the audience.

Thespians is another organization in which actors and actresses can get involved. The students have got to collect a certain number of hours in various areas of the theatre. After the members have gained all the hours needed to become a Thespian, they are then initiated, and enrolled in the organization.

This year the Drama Club performed 2 plays, *Our Hearts are Young and Gay* and *The Girl in the Mirror.*

CLOWN CLUB

By Jennifer Malody

A relatively new organization, the Agua Fria Clown Club, is one of the more relaxed organizations on campus. This club caters to those students who love to have fun and goof around while still doing some good for the community.

This year the Clown Club visited a children's hospital to spread some happiness to the children hospitalized due to unfortunate illness. The club also sold balloons at Halloween.

President Lanny Lighthill commented, "Clown Club is more than just a strict organization, it is a group of good friends who like to get together and have a good time."

If you are the kind of person who likes to have a good time and still make a contribution to the community, Clown Club is for you.

ROTC

To many people, R.O.T.C. is just a class where you dress up in a blue uniform once a week. However, it is more than that. They learned about leadership, the military customs and courtesies, and the equipment and the military uses. This year they are having a very productive year. So far this year they have had two very successful dances and a joint dance out with Cactus High School. In the near future they are planning more dances, a picnic, and many other fun activities. So, before people start knocking R.O.T.C. they should explore the program and find out what it is all about.

DRILL TEAM

Our Drill Team standing at attention.

This year's Drill Team is progressing nicely under the command of Cadet first Lt. H. Mike Bell. The team lost most of last year's veterans; however, new members have performed well and are improving every day. So far the Drill Team has entered the Billy Moore Days competition and the Surprise parade, where they won second place and first place honors respectively. During the Spring semester, the Drill Team competed in a valley wide competition with other J.R.O.T.C. units. If the team spirit stays as high as it has been, they will look forward to more award winning performances this year.

COLOR GUARD

By: c/2nd Lt. Justin Kautz Color Guard Commander

This year the Color Guard did an outstanding job. Our first event was the Helzepoppin Parade in Buckeye, Arizona. We received the 3rd place ribbon. We were not too happy at first but it just influenced us to do better. The next event on our list was the Billy Moore Days Parade in Goodyear/Avondale, Arizona. We received the 2nd place ribbon. We were surprised to get second place with all the competitive participants in the parade. The next event was in Surprise, Arizona. We took the 1st place trophy. The next event was in April, the Desert Classic Drill Meet. We prepared for this event from November thru April. Other events included were Sky Harbor Invitational, S.C.I.D.M. (Southern California Invitational Drill Meet), and many other parades.

Color Guard takes pride in the U.S. and Arizona.

Where's the snow? The Agua Fria Ski club tried to find the snow in January. Ms. Stephens, the club sponsor, hoped that there would be enough participation so that the club could take a two day trip to Sunrise. The ski club helps to finance snow trips for the skiiers at Agua Fria. The club is great for advanced skiiers, as well as those who have never been skiing before. Imelda Cachin says, "Even if you are a beginner you can learn to ski, and have great fun. The Ski Club provides students with a chance to go to Sunrise, learn to ski, and have fun skiing with friends.

NHS

By: Andrea Amator

To become a member of the National Honor Society, a student has to meet certain qualifications. A sophomore must have a grade point average of 4.75, while Juniors and Seniors can have an average of 4.5. Activity points are another requirement a student must obtain before becoming a member. These points are earned through leadership and service activities. Each member must maintain their grades. If they receive a D, they are on probation, and a F will result in suspension from the group.

At the end of every year the NHS has an induction ceremony to welcome its new members. Tim Abraham says, "It is a nice candle ceremony which allows the parents to participate in the initiation." The next morning the teachers take a member to the annual NHS breakfast. The members of NHS have worked hard to obtain their position in this organization, and they should be congratulated.

Agua Fria has a group of students that are real A.C.E.S. ACES is the Advanced Cultural Enrichment Seminar. This organization is for students who would like to learn more about the cultural arts. The students attend concerts, plays and ballets. April White says, "It is a great opportunity to attend events which will help enrich our minds." At the end of the year, the members will have a banquet to display and demonstrate the various projects they have worked on throughout the year.

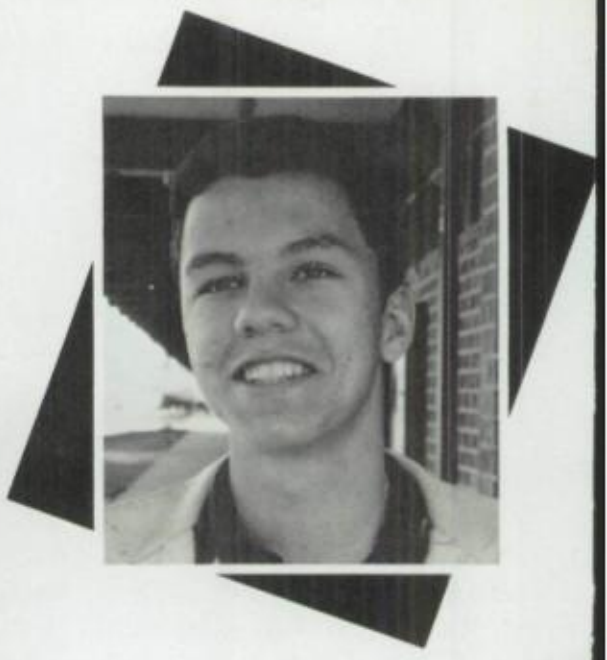
HISTORY CLUB

Tom enjoys all the people he meets in this club.



by: Andrea Amator

The History Club is a very unique organization at Agua Fria. The club has had regular meetings, where they discuss past and present events that have affected our country. They hold debates on current issues that surround our nation.

The club also travels to historical places such as the Arizona State University Historical museum. They have also gone to Pioneer Arizona, to see how our forefathers lived.

The history club is one of the quietest clubs on campus, but its students learn about their heritage.

Bottom Row: Mr. Reed, Rhonda Wiley, Gab Nickele, Stephanie Funke, Lisa Cote, John Boone. Top Row: Matt Muller, Jason Adams, Jesse Barron, Paul Christianson, Allen Daggett, Mary Kennedy, Mike Denninger.

FREEDOM & JAM

by Andrea Amator

Freedom Jam! The 5 member band presented Agua Fria students with a freedom from drug concert. As they played, they took us through our American history to show us how our forefathers fought for our freedom. This was to show us how we are just throwing our lives away by using drugs, and alcohol. The Student Council brought Freedom Jam to Agua Fria in hopes of convincing the students that drugs are not the answer. Anne Billingsley says, "I think that Freedom Jam had a good way of telling students that drugs are bad." The most important thing to do is to just say NO!!

The drummer Gary Skow gave Agua Fria a show.

Lead singer, Danny Mose, is caught leaving the dressing room.

Rob Beard strummed his way into the hearts of many girls.

Agua Fria's wrestling team has their own group of dedicated fans. They are the organization of Wrestlerettes. These girls stay at the wrestling matches to cheer our team to victory. A group of sixteen spirited young ladies make up this cheer squad. The sponsor, Ms. Crill, works with the girls after school Monday thru Thursday. The girls come up with exciting and original routines, which they perform at all of the matches.

Auditions were held in November, and the best were chosen to form this group. Being a Wrestlerette takes hard work and determination. These few girls show their spirit by supporting our wrestling team.

LETTER CLUB

by Jennifer Malody

All varsity athletes at Agua Fria should be interested in the Letter Club. The Letter Club is an honorary organization for those students who have worked hard to earn their letter in a competitive sport.

Due to the hectic schedules of the sponsors and the rigorous training schedule of the athletes, this club doesn't have many meetings or fund raising community projects. They do, however, sell refreshments at all home basketball games which helps to raise a little money for the club.

The club is also in charge of one main event, the annual Hall of Fame induction which takes place in February.

The Letter Club brings a sense of accomplishment and pride for hard work to those who truly deserve it.

DESERT

by Jamie Maslyn

This year has been a hectic one for *The Desert Howl* staff.

"Its been difficult adjusting to a new advisor, but despite the conflicts and pressures, its been a groovy year," said Jamie Maslyn, Editor-in-Chief.

For the second year, *The Desert Howl* received the "metalist" rating in the Columbia Scholastic Press Association contest/critique for the 1985-86 issues. Only 10% of the first place winners receive this honor.

STUDENT

by: Jamie Maslyn

1986-87 Student Council members had a very productive year.

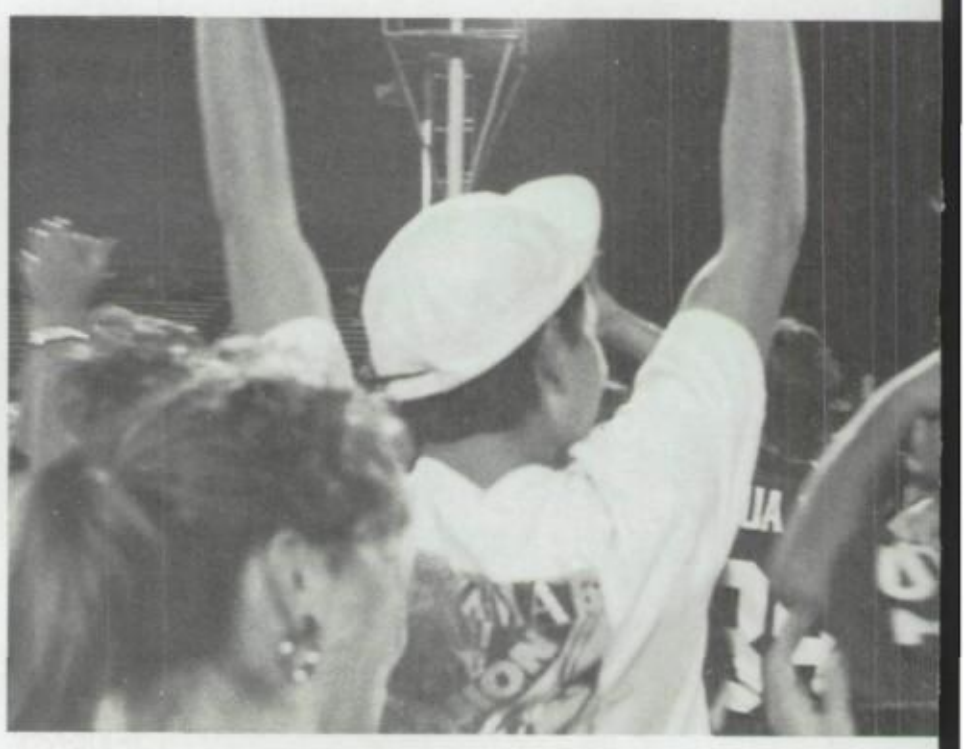
Homecoming week, the Christmas Formal, Teacher Appreciation week, and Spring Week are a few activities Student Council produces annually. This year, however, Student Council members sponsored a carnival at the conclusion of Spring Week.

"I think the people in Student Council this year worked really well together. We got a lot accomplished and had a lot of fun," said Student Body Recording Secretary Kristan Mack about this year.

Gene Barton complains to Kristen Mack that the Student Council works too hard.

"Which way did he go?"

Shannon Wilson needs a drink!



"Aaron's BACK!"

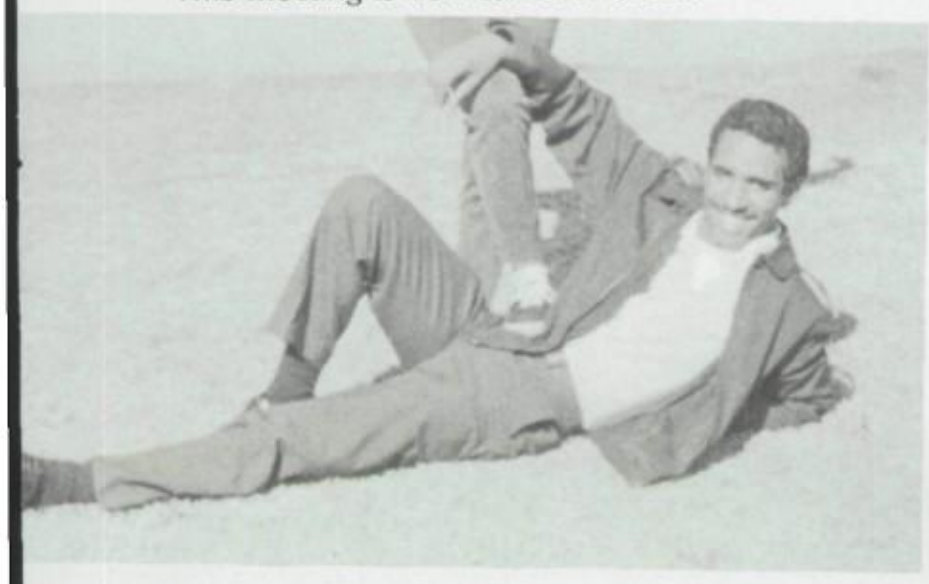
"This meeting is now called to order."



Pascal is the victim of conquest.

"Don't worry Ruth, we'll make you feel all better."

"WHAT?"

This group of students are wondering if the meeting will ever start.

"We didn't do it."

The job of the Student Council is to check out the scene.

SPANISH & EL CIRCULO

by: Andrea Amator

The Spanish Club at Agua Fria provides many activities for its members to get involved in. This year they held a blood drive to provide blood for those in need. The club also sold candy and held a dance to help raise money for other activities. Some of these activities are a Mexican dinner, a day at Big Surf, and some of the money helped finance its four year students on a trip to Mazatlan.

The freshmen have a Spanish club of their own. This club is called El Circulo, which means, the circle. Members of El Circulo do not participate in any of the same activities as the Spanish Club. This club holds its own meetings, its own fundraisers, and has its own activities.

FRENCH & CLUB

By: Jamie Maslyn

Although the annual Gummy bear sale didn't occur, this year's German Club was spazz (fun).

Stephi Funke, German Club president, said, "I wish that as president, I could have done more for the club in terms of activities and teaching people about German Culture but there wasn't any opportunity and there wasn't that much enthusiasm in the club."

German Club sold Advent calanders, ate at a German restaurant, and had an activity with French Club this year.

Funke added, "I hope it will be more successful next year."

"It was fun getting involved in French Club this year because I like French fries, French toast, and French guys!" said Minda DeVoto, senior, about this year's French Club.

DeVoto, along with other French Club members, had a successful year. During Homecoming they had a float in the parade and sold croissants. They also had an activity with German Club members.

ARCHEOLOGY CLUB

By: Tina Beyle

The Archeology Club and FBLA both strive for excellence, but in different areas.

The Archeology Club goes out on digs, looking for artifacts to help them link the future to the past. They spend a lot of time visiting areas of Arizona that are well known landmarks.

The FBLA spend the majority of their time studying business. They spend time outside of class learning better business sense, so they can better succeed in the future.

Both clubs are very educational, but also very different from each other.

KEY CLUB

By Andrea Amator

Key Club is a very active organization at Agua Fria. The 107 members participate in fundraisers and service projects for people throughout the community. Car washes, candy sales, and working at Phoenix International Raceway are just some of the fundraisers the Key Club participates in. Another major fundraiser is the annual volleyball marathon, which allows the members to donate money to the charity of their choice.

Each year Key Club has to decide on a major emphasis program. This year the club has decided to work with the elderly people in nursing homes and the handicapped in Special Olympics. John Prichard, the lieutenant governor of division A, says, "Working with handicapped and elderly people is this year's main project, and I hope our members make it a strong program."

Agua Fria Key Club and its Kiwanian sponsors have succeeded in making this year's club the best!

INTERACT

Pizza party after the first club meeting.

by Jennifer Malody

Agua Fria's Interact club is an outlet for the students who enjoy public service. Club members do many things for the community. Collecting food for the needy at Thanksgiving and wrapping gifts at Christmas time to name a few.

This year, Interact members helped to earn money by selling pins and necklaces to the other Agua Fria students and faculty. Club members also plan many fun and exciting activities which take place at random intervals throughout the year. Pizza parties and skiing trips are a few of the things that Agua Fria Interact members had fun doing this year.

The Interact club of Agua Fria is a fine club for the students who are community oriented and like to have fun at the same time.

YOUNG LIFE

When someone sees a Young Life sign, they always ask, "What's Young Life?" Well, YL is a group of kids that get together every Monday night to have a great time. YL member Collette Humphrey, who attended this year, says "It was always really rowdy." Some of the activities YL does are broomhockey, ski trips, lock-ins and skits. During this last summer they went to Disneyland. After about a half an hour the meetings close with a short Bible message or a positive thought. Bob Staples, the YL leader, says, "The real reason for YL is to introduce people to Jesus Christ. But anyone that has hung around YL could tell you that we don't force it on 'em. And it's a lot of fun."

YEARBOOK STAFF

By: Tina Beyle

This year's publications Staff did a great job. They managed to handle such problems as money and rough deadlines. They met these challenges and also met other goals, such as increasing the size of the book from 8½ X 1 to 9X 12, and adding 44 more pages than any previous book at Agua Fria. The main goal of the staff was to make this year's book the best and most unique book from Agua Fria, and met this goal by doing such things as reversing the order of the index. GREAT JOB, STAFF!

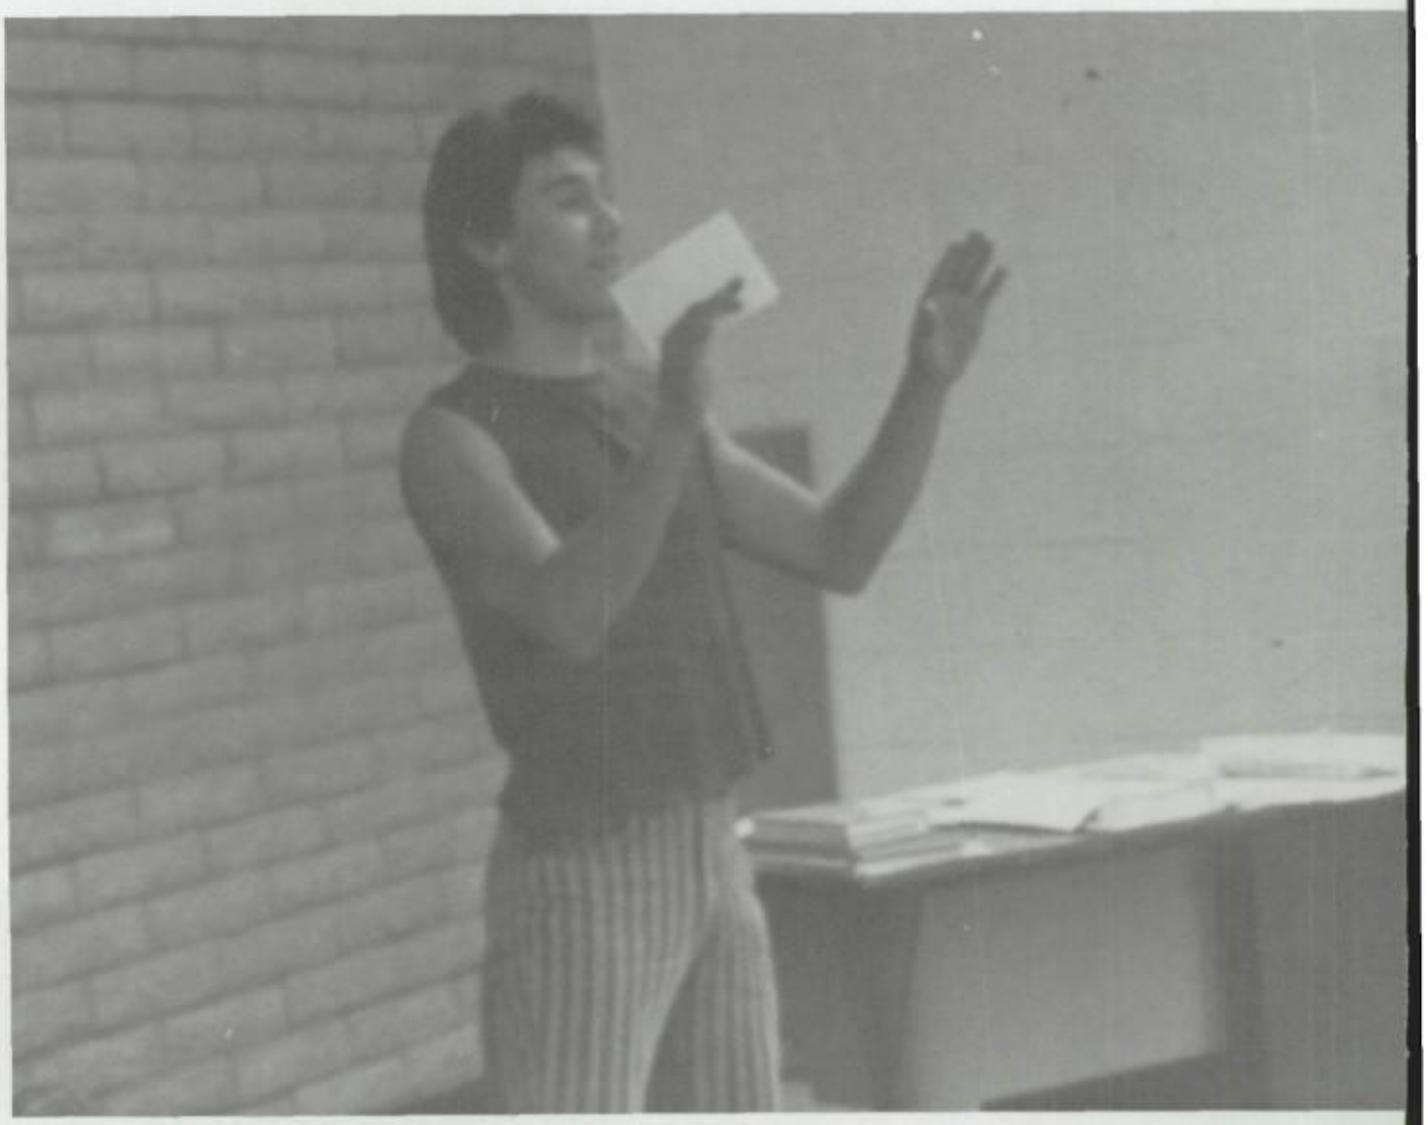
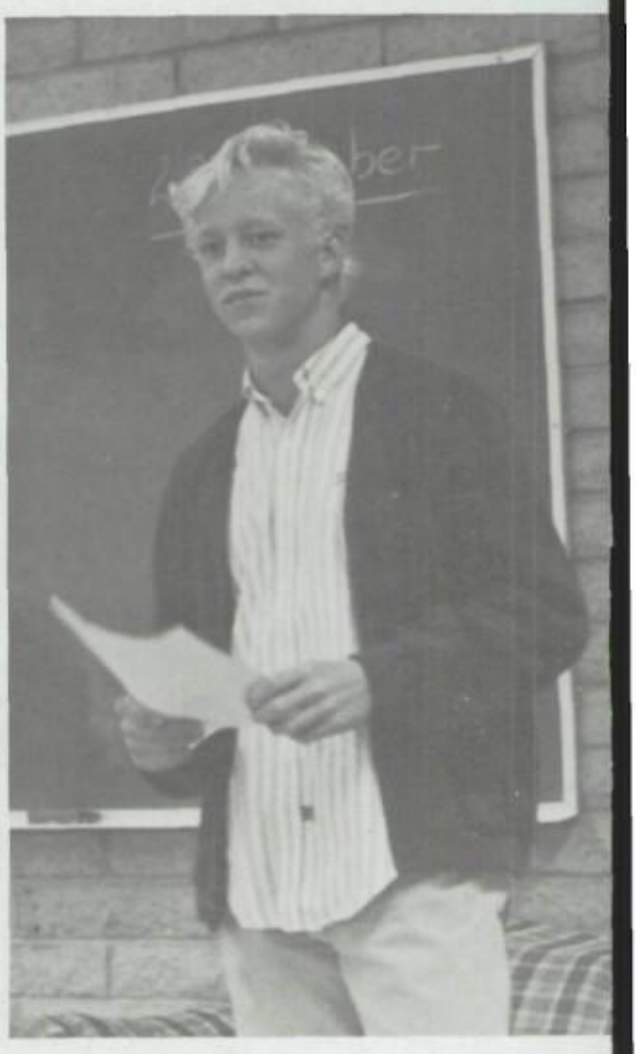
Ability to stand before an audience and present ideas as viewed by individuals is the concept applied to the public speaking class. Inspired by Mr. Foxwell, the class debates each other on controversial issues such as teenage pregnancy, drug problems, and the United States' involvement in other countries. Students are required to give demonstration speeches which allow the speaker to bring in materials and show the class how to do something. Other speeches are informative, persuasive and impromptu. The students enjoy the 55 minutes of talking and listening to each other. As explained by Kristy Reeder, "It is a place to express our true feelings and gives us a chance to understand different views on various subjects." Public speaking is considered to be one of the most important elective courses at Agua Fria.

"No, you're not supposed to throw anything!" said Richard Garcia.



"Really? I liked the book!" argues Trudy Williams.



"Do I have to give this speech?"

Dance! Dance! Dance! This year there are so many different styles of dancing all over the world, but only a few are taught here at Agua Fria.

This year's dance classes will be learning ballet, jazz, stomping, country western, square dancing and modern dance.

Yes, dancing is for boys too! So get out and learn to "boogie" Dance class is lots of fun.

Art D.O.

By Nancy Parra

Art classes at Agua Fria are very popular. These classes are taught by Mr. Clark. The art classes offered are geared towards those students interested in their artistic ability. In the art class students are given the opportunity to discover new abilities concerning art.

Another class offered to Seniors only is D.C.E. and D.O. This class is designed to let Seniors attend school part of the day and work part of the day. This program gives the student a chance to get involved with the work world before graduation. Mr. Haggerman is the teacher who is in charge of this program.

"Look at all those muscles". Boys and yes, EVEN girls really learn how to pump iron in Agua Fria's weight training program.

Everyone who takes the class becomes more physically fit and has the desire to keep lifting weights to stay in shape

So if you want to have a great "BOD" and if you don't mind sweating a bit, Weight Training is the place to be!

I'm living proof that anyone can lift weights, so give it a try. ▲

Auto/ Ag.

By Shannon Singleton

Locked your key inside your car? Have no fear! There is hope. Located at the north end of our school is the automech room where saving people from this catastrophe seems to be their most popular job this year. Along with this, auto class works on anything from putting on a tire to rebuilding motors.

Across the parking lot is the agriculture building. Here students learn many skills and responsibilities along with having a lot of fun. The F.F.A. attends all the fairs where they show and judge livestock. Throughout the year there are several different events. An ice cream social, trip to the movies, two bar-b-ques, and a Valentines dance. Along with this, animals and a garden are raised every year.

Photo flash

By Vicki Frank

Click, click, clickity-click are the sounds that have echoed in Agua Fria's halls as the photography classes grasped unique memories of the year. Photography 1-2, taught by Mr. Clark, is where first year students are introduced to the basic concepts involved. Mr. Clark's students experiment with creativity hoping that they will take, develop, and print the "ultimate" photographs which is the goal of the class.

Mr. Doyon teaches photo 3-4. It is a more challenging class. Although it is considered difficult work at times, it is also a class that gives students more independence and responsibility. Students attend meetings, activities, and sporting events and donate most of their pictures for the yearbook. "Both photo classes are great! They let you do and create what you want to. Everyone should take photo." Sean Kuhn.

What great proofs.

On the count of three say pink pee pee.

The baby Owls got involved in many activities this year. They did their best in the homecoming activities.

Freshmen showed their talents at pep assemblies and cheered the Owls to victory at the football games. Sports were very popular with them. The freshman football team had an exciting year. The class of "90" has outstanding enthusiasm.

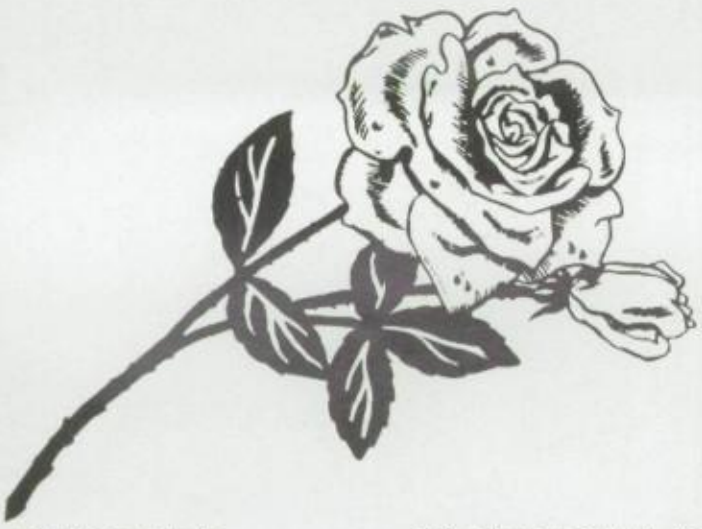
Strength To Carry On:

Michelle Becker



by Anna Wolfe

Michelle Becker is known and loved by many of us here at Agua Fria. Not only in our school, but in our entire community. We have all joined together in her fight against Leukemia.

There were many fund raisers held the week of December 6-13. It was known as Michelle Becker week. It started out with a breakfast benefit at McDonalds held on the 6th. Then on the 7th an invitational volleyball tournament was played. The following day, Pistol Pete's Pizza had an "all you can eat pizza party." for the cost of $3.50 per person. (a dollar was donated toward the cause). On the 13th the final day of the Michelle Becker week, a golf tournament, a bowlathon and a talent show were held.

Paul Jones, assisted by Debbie Schlensig, put most of these fundraisers together. The Chamber of Commerce was a *BIG* help to both of them as far as getting it all together. Mrs. Schlensig would like to thank all the students of Agua Fria for all their help and support. We wish Michelle well and lots of love.

Fievel and Michelle have a glass of orange juice.

Seniors

"Senior Wills"

I, Tiina Edwards, being of sound mind and body, leave my good times, good friends, good memories, and good luck with good relationships to Sherry Susi.

I, Jeff Farris, leave to the Archyology Club of underclassmen fake maps to hidden treasures in the Superstition Mountains.

I, Stephen Densford, will Mike Smith a book on "The Usefulness of the Female Gender."

I, Ken McCombs, will all the Russian invaders and nuclear holocosts to Mrs. Lyall.

I, Tina Beyle, will to my sister, Carolyne Beyle, all the fun of getting a yearbook put together. Good luck next year.

I, Deidra Scott, will my ability to shut up in class to my sister Andrea.

I, Kim Kenney, will my sister Kelly the best of luck in the years to come.

I, Corina Hernandez, will my ability to excel in everything to my little sister Monica Hernandez.

I, Mark Porter, will nothing for nothing because nothing leaves nothing.

I, Juni Chaikeenee, will success in life to Preyoon Lekkong.

I, Dina Cruz, will my thanks to Ms. Chillag for being there when I needed her.

I, Saul Reyna, will my good looks to Saul Reyna Jr.

I, Gayle Washington, will my will power to stay out of trouble to Samatha Mitchell.

I, Alan Daggett, will my old and dirty weight training shirts to Jeff Schmuki.

I, Kirt Nitsche, will my mind (what's left of it) to all the underprivileged kids left in this school when I depart.

I, Angela Garza, will my intelligence to the class of 1988.

I, Sherlynn Cook, will all my love and devotion to my boyfriend Verne Rogers.

I, Erin Scott, will my mock 3 eating habits to Don Shilliday.

I, Darin Faughn, will all my rock shirts to Mr. Givin.

I, Kris Andrews, will my car to Mr. Williams, my voice to Christy Reeder, my grade point average to Ruth Grumbling.

I, Linda Kesley, will my mother to Melissa Weber so she'll always have someone there to show her how to drive!

I, Steve Roberts, leave my Lucy in the Sky with Diamonds to Ray L.

I, Kido Sarzoza, will 25 pounds of excess fat and uglyness to whoever disliked me.

I, Nicole Folks, will to Phyllis and Teresa Miller all the dirty looks you gave me when I was a Senior.

I, Tony Talavera, will one of my personal possessions, I leave to a lucky person next year, my valuable black book.

I, Christina Guckenheimer, will my ditching excuses to whoever will need them next year.

I, Melissa Weber, will my car to Linda, at least it isn't a Ford.

I, Leticia Gonzalez, will to Jesse Auena all the love and support he'll need to make it through his last year.

I, Christina Mumford, will my keyboarding notes and experience to Alicia Brockey.

I, Mike Hawthorne, will all my books and bad times to my brother who is gonna be a freshman. Good luck, Brian.

I, Tish Roberson, will the last stall in the 500 wing bathroom to Marsha Bryann.

I, Jerry Fletcher, will all of my greasy clothes from auto shop to Mr. Purcell.

I, Jason Saunders, will my bald tires to Mr. Purcell.

Getting pepped up at the Bon Fire-confused Jennifer?

By Cindy Holdcroft

The year is 1987 and we, the SENIORS have just completed our last year of high school. Many exciting things have happened these last four years, but now, we have many new adventures and opportunities awaiting for us. As we look back we will always have our special memories here at Agua Fria. All of us have our favorites, mine was . . .

KRIS ANDREWS-The 1986 prom . . . A night I'll Never forget!!

MARK REESE-Jumping for towels in Freshman P.E.!

MIKE HAWTHORNE-The Friday night games and ESPECIALLY the party's after!!

JAMIE SELF-Hangin loose with all my friends . . .

KEVIN McANIFF-Singing for H.C. at Liz Lessard's Fourth of July party

MICHELLE BECKER-Being friends with Mrs. Schlensig

TAMI THOMPSON-My Freshman year we won second place for noon time activities in flag football. We were all happy to get our awards!!!

STACIE LUECK-Feeling cool to be in high school, meeting and making new friends, most of who will never be forgotten.j.s.!!

TINA BEYLE-Finding the eyeball Freshman year, in the girls bathroom and putting it in the boys bathroom!!

JOANNE TOWEY-Watching the sunset at the lake on Christmas Eve with Fernando

JENNIFER MAIHOFER-My old high tops, Levis, *spitting* and especially being myself totally free!!

Kites can be replaced; pilots can't

Kite flying is fun whether the pilot is a youngster, teenager or adult. Be careful. Check for power lines **before** you fly. Always fly in an open area — well away from power lines. Call your electric utility if your kite gets caught on a power line. Don't try to get it down yourself. Remember, kites can be replaced — pilots can't.

Scott,
You and I have grown up through the years. A friendship that is so dear. Now you're going away for somewhere new. Take me with you! I really don't know what I'm going to do.
I have looked through your eyes and have seen where you have been, knowing that tomorrow is closer to the end.
You and Me, Brother and Sister, I'm glad to know that we've got each other.
So when you leave, you will know that I'm always there in your heart and in your soul.
Congratulations, Scott! You've made it through some killer years! I love you! Your little Sis, Lisa

Class of 88 rules!

Hi, fellow students! It was a great time at your school and I'm happy that I could be with you. I collected many new experiences and learned so many new things.
I think it was the most fascinating event in my life. I'll never forget it!
Es war echt suuuuper! Ich hatte unheimlich viel spab (besonders mitden modchen). Die lehrer waren, bis auf ein paar Ausnahmen, wirklich OK. Dab sich die madchen so sehr schminken, finde ich schlichtweg dumm!!!
Best regards to Jimmy, Stephi F., Juanita M., Buck (No. 62), Rutherford, Charlie, Mike, Dani, Robert, Dina, Chris D. D.
My best teacher was, of course, Miss Carlson. She really knows what's going on.
Thank you for everything. Yours, Matt C Muller -foreign exchange student from Germany.

MY GIFT TO YOU
To reach up to the stars at night
And swing across the sky -
That's just one thing I dream to do
Before the day I die.

If I could buy those stars I see
And tie them with a bow,
They would be my gift to you
As you deserve them so.

With face and eyes as kind as yours
And the joy you bring to me,
With little talks that help me out,
My friend you'll always be.

At times it's hard to say such words
To a person in her sight,
But the words I wish to say to you
Are in the sky at night.

From the Editor:

As Editor-in-Chief of the 1987 Wickiup, I would like to express my utmost gratitude to the student body of Agua Fria. Without you, this book would never have been possible. You've made my job very worthwhile!

Thanks,

Michelle R. Lampert
